Case No. 08cv0242-WQH (NLS)

**JOINT MOTION TO EXCUSE PLAINTIFF
FROM ATTENDING THE EARLY
NEUTRAL EVALUATION CONFERENCE**

Date: August 7, 2008
Time: 2:00 p.m.
Judge: Hon. Nita L. Stormes
Dept: F

TO: ALL PARTIES AND THEIR ATTORNEYS OF RECORD

The parties, by and through their attorneys of record, hereby make the following joint motion to excuse Plaintiff from appearing at the Early Neutral Evaluation Conference (“ENEC”) for the reasons set forth herein.

Plaintiff is a citizen of the Republic of Mexico and has no legal right to enter or remain in the United States of America. Plaintiff has been removed from the United States on eight prior occasions and has twice been convicted of illegally re-entering the United States subsequent to deportation. After receiving notice of the August 7, 2008, ENEC, Plaintiff’s counsel contacted counsel for the United States, Assistant United States Attorney Dave Wallace, and requested that Mr. Wallace attempt to facilitate paroling Plaintiff into the United States to attend the ENEC. Mr. Wallace contacted the Department of Homeland

Security and was informed by the Department that based upon Plaintiff's criminal record, the Department believes Plaintiff poses a significant flight risk if he were paroled into the United States. Accordingly, the Department would not parole Plaintiff into the county to attend the ENEC. Mr. Wallace informed Plaintiff's counsel that Plaintiff's counsel could file a petition for discretionary humanitarian parole with the Department of Custom and Border Protection's director of field operations in the San Diego sector. Plaintiff will file such a petition. In light of the foregoing, however, Plaintiff's counsel is informed and believe that Plaintiff will not be able to by physically present at the ENEC on August 7, 2008.

In addition, because Plaintiff does not have a phone, it will not be possible for Plaintiff to be present telephonically. Counsel for Plaintiff has full authority to settle the matter, and the parties plan to engage in settlement discussions as soon as possible. Accordingly, in light of the logistical difficulties, the parties jointly request that Plaintiff be excused from attending the ENEC.

SO STIPULATED.
